SEPTEMBER 2011

## INTERNATIONAL NEWS

*Radical Sportscars has a stand at the world renowned Frankfurt Motor Show and no doubt is basking in the publicity surrounding the recent Nurburgring record set by the Toyota electric engine, hosted within a Radical chassis. The new design features of the road legal SR3 SL are on show and we expect to see some of those flow through into the new 2012 race car models.*

*Garth Walden is currently in Germany and intends to visit the motor show which is currently open plus also check out Nurburgring during his vacation.*

*Check out the news stories, links and Youtube clips on our [website](#) and [Facebook](#) page!*

## LOCAL NEWS

*The recent sales campaign for the 2012 SR3 CUP car has now closed with most of the new car orders being snapped up by existing owners upgrading for the 2012 race season. The resultant second hand cars are selling strongly and 3 more cars are headed to Queensland.*

*Robert Baird from Radical Team Melbourne has been working hard towards securing opportunities for Radicals to race within the local and very strong Victorian State Series. Likewise, Paul Stokell is identifying both track days and race event opportunities for Queensland Radical drivers. Simon Richards from R-Tek Motorsport has taken up the Radical colours for South Australia and we hope to see the new car of Basil Mondello and Matt Carolan circulating at Mallala with the support of Simon Richards.*

*Contact details for track and race opportunities in Victoria, Queensland and South Australia are below:*

*Victoria: Robert Baird - 0439 220 203*

*Queensland: Paul Stokell - 0419 549 122*

*South Australia: Simon Richards - 0405 595 603*

## TRACK DAYS

The 2011 season is fast approaching an end. Anticipation continues about the new track configurations of Eastern Creek and what will be on offer in 2012.

ARDC have made amazing progress with the developments works for the new track. We anticipate news on format and opportunities for Eastern Creek in 2012 will be available in October. Meantime be sure to enjoy the full track in it's current configuration.

Queensland track days and driver training opportunities are available via Paul Stokell. Victorian opportunities are available via Greg Murphy Racing and Robert Baird and are obviously contingent upon demand.

# RADICAL AUSTRALIA CUP

*The 5 race series held over 5 consecutive months at 5 different race circuits was intense and immensely enjoyable. For series Champion Edward Singleton he took home the trophy and is planning to upgrade his race licence to International racing to compete in the Radical European Masters at Nurburgring in 2012.*

*First prize for the 2011 Radical Australia Cup is a complimentary race seat plus airfares and accommodation.*

*Special thanks and recognition to sponsors Travelplan for again providing the airline ticket. Also MPA the television sponsor enabled Radical Australia Cup to gain extensive coverage on Speedweek and Inside Speed channels.*
